Holger Rune

“For tomorrow I need to talk to my team first and see the tactical plan and now is just about to recovery and get my body fit and get ready for tomorrow and then after, you know, I try to do that and fight until the end”

“It's nice. I mean, I think it's a privilege to be in this situation, but also I know it's hard forward, very difficult to get there, it feels good, my dream is to be in the top of the game, to be number one. I'm getting close every day. It's a process, it's a long process, but I feel I'm going in the right direction”
