

What does it mean to you, but also having your daughter here in the stadium, your dog and your mom? Marcelo you were talking about your are like wine ,

Can you tell us about your experience when the stadium was in Princess until this arena? How does it feel today to lift that cup again?

It's great to win of course the first time aparas we've been together for a long time, it was a fun week for sure on the double score , it was a difficult week, happy , happy my family is here..

As I told you on the court, it has been a tremendous pleasure to be in Mexico since we were at the other hotel. I have really enjoyed the week, playing with Sascha, and I am very happy to have won another championship here in Mexico. I love the people here.

Hi Janime Sandoval con Grupo Radio Centro, congratulations, Alexander the last time you won the doubles here you won with your brother, now one of your best friends in the tour, what does it mean to you tonight?

For Marcelo Spanish or English . Marcelo, how different is this title to you with all your experience winning today in Acapulco ? Winning a title with your brothers is always special and playing with your best friend is always special. I'm just happy. I don't have any double titles, for me it is more difficult to win double titles.

I'm just very happy to be here.
